

Hospitality:

The quality or disposition of receiving and treating others in a warm, friendly, generous way.

In other words:
Treating people right.

We must show genuine kindness
and hospitality, regardless of a
person's position or status.

One of the greatest things we can do
for someone is to help them feel a
sense of belonging and comfort during
challenging times in their lives.

Hospitality is when you are willing to be
a blessing to someone else; when
someone else's happiness becomes
your priority.
